

**BIG TUJUNGA WASH MITIGATION BANK
COMMUNITY ADVISORY COMMITTEE
INVESTIGATION AND ACTION LIST**

Action Items From the June 6, 2002 CAC Meeting

Item	Follow-up	Comments/Status
1. Mary Bell Entrance	Public Works & Chambers Group	The Mary Bell entrance was installed on May 22, 2002. The other opening to the east will be kept open for 6 weeks so people can train their horses to use the new entrance. Belinda Kwan will get a sign installed denoting "no wheeled vehicles."
2. Tamayo property	Public Works	LADPW is still waiting for finalization on the acquisition of this property. The August deadline will not be met because the process is taking longer than anticipated.
3. Unauthorized overnight campers on the site	Public Works	There have been campers recently sighted; one by the Tamayo property and one by Haines Canyon Creek. LA Homeless Services Authority has been notified.
4. Corral encroachment	Public Works	The corral encroachment is still a legal issue at Public Works. LADPW sent a letter giving the owner 30 days to relocate and it has now been 60 days. LADPW is drafting a letter to the Board in order to take legal action to move the fence back 18 feet off their property. The letter is expected to go out next month.
5. Rock dams	Public Works	The dams are a constant issue. It was requested to dismantle these dams whenever they are sighted because they are detrimental to exotic wildlife removal efforts.

Item	Follow-up	Comments/Status
6. Kiosk on freeway side	Public Works & Chambers Group	The kiosk on haul road has been damaged (plexiglass broken) It was suggested to that lexon, a stronger and more durable material, be used instead of plexiglass.
7. Trail signs	Public Works & Chambers Group	Trail users see a need for trail signs. Chambers Group will get together with Belinda Kwan and Michele Chimienti to talk about budget and permitting.
8. Turtle removal		Dan Holland has caught 6 different exotic turtle species from the ponds. They were all placed at Cal Poly Pomona's Animal House. He also caught a southwestern pond turtle which is a native species.
9. Site theft (traps)		Some of the crayfish traps have been stolen. Please report any suspicious activity around the ponds.
